

# ALDI SUISSE MOBILE

## Abo Medium

- ✓ Unlimited calls, SMS & MMS in all Swiss networks
- ✓ 12 GB data volume highspeed Internet for mobile surfing in Switzerland

Mobile subscription	
<b>Basic monthly fee (with no discounts)</b>	CHF 16.90
<b>Activation fee, incl. sim card (with no discounts)</b>	CHF 49.00
<b>Minimum contract duration</b>	No minimum contract duration (0 months) A subscription without a minimum duration may be canceled with a notice period of 60 days to the end of any month.

Calling & mobile data in Switzerland	
<b>Calls to other Swiss mobile or landline networks</b>	<b>unlimited included</b> Calls to special numbers (084x, 090x, 18xx, etc.), short numbers and value-added services are not included. These calls are billed at special rates. Incoming calls and listening to voicemail are free of charge.
<b>SMS &amp; MMS to all Swiss networks</b>	<b>unlimited included</b>
<b>Mobile data (mobile Internet)</b>	<b>12 GB Highspeed data volume included</b> Once you have used up your 10 GB highspeed internet, you will continue surfing with lower speed (256 kbit/s). Maximum speed: 5G network (highspeed) 2'000 Mbit/s (download) and 300 Mbit/s (upload)
<b>Note Internet-Speed</b>	The transmission speeds listed represent optimal performance and are not guaranteed. Actual Internet speed depends on factors such as topography, network coverage, distance to the transmission tower, signal strength inside/outside buildings, or other factors and may be slower than the specified maximum Internet speed. This is subject to local deprioritization and speed reduction measures of limited duration performed for network management purposes.

## Calls to foreign countries (international)

<b>Included minutes per month</b>	None
<b>Calls, SMS / MMS to foreign countries</b>	The prices depend on the destination country. International calls to foreign countries are charged at the standard rate. <a href="#">Price list international calls</a>
<b>Per-minute billing of calls</b>	Per-minute charge. Each started minute is charged as a full minute.
<b>International special and short numbers</b>	<p>Calls to special numbers, short numbers and value-added services abroad are not included in the standard rate and the included calling time credit. These calls may be billed at a higher rate.</p> <p>Calls to special and short numbers abroad could result in higher costs, depending on the country and provider.</p>

## Calls made abroad (roaming)

<b>Included minutes</b>	None
<b>Calls made abroad (roaming)</b>	The charges depend on the country you are in (region 1-3). Incoming and outgoing calls as well as SMS/MMS made during roaming are billed at standard roaming rates. <a href="#">Price list roaming</a>
<b>Call billing units</b>	<p>Accurate to the second, with rounding to the next 10 centimes per call</p> <p>Exception: Outgoing calls will incur costs equivalent to at least a 30 second call, even if they are shorter.</p>
<b>Forwarding to voicemail</b>	When a message is received in voicemail during a stay abroad, the cost of the incoming call to the mobile device and the cost of the callback from the mobile device to voicemail in Switzerland are charged at the standard roaming rate.
<b>Listening to voicemail</b>	Calls from abroad to voicemail to listen to voice messages are charged at the standard roaming rate.
<b>Call forwarding</b>	When a call is forwarded from abroad (for example to the landline number in Switzerland), both the incoming call and the forwarded outgoing call are charged at the standard roaming rate.
<b>Special and short numbers</b>	Calls abroad to country-specific special and short numbers, including value-added services, may be charged at a higher rate. Such calls are not part of any existing included calling time credit.

## Mobile data (Internet) abroad (roaming)

<b>Included data volume per month</b>	None
<b>Data roaming</b>	To spare you from high roaming costs, mobile data use abroad is automatically blocked. If you want to continue surfing, you can purchase a respective roaming data option.

## Cost control abroad (roaming)

<b>Cost limit</b>	<p>Whenever you're abroad, we'll send you an info SMS with the tariffs applicable in the country where you are.</p> <p>Cost control abroad is activated by default with a monthly cost limit of CHF 0. This means that no fee-based roaming services are available outside of the included services and roaming options (including incoming calls). The limit can be adjusted at <a href="http://www.aldi-mobile.ch">www.aldi-mobile.ch</a> after logging into your account.</p> <p>On reaching 50% and 100% of the set limit, an info SMS will be sent for cost-control purposes. After reaching the cost limit, no chargeable roaming services can be used at the standard rate. However, roaming options can still be selected.</p> <p>The roaming cost limit includes the roaming costs incurred in a calendar month but excludes the fees of roaming options. Under certain circumstances and depending on the country in which surfing takes place, there may be a delay between the point at which the roaming.</p>
-------------------	--

## Miscellaneous

<b>Activation</b>	The subscription is activated after successful ID-check or on the requested date if the number is being ported.
<b>Billing</b>	<p>The basic fee is billed after activation. The basic fee is automatically billed on a monthly basis until the option is canceled. If a customer signs up during a billing month, the basic monthly fee and included services (minutes, SMS, MB etc.) are billed on a pro rata basis.</p> <p>Possible payment methods: Credit card or TWINT</p>
<b>Included credit</b>	Any part of your included data and calling quota that is not used in a specific billing period will expire and will not be carried forward to a subsequent billing period.
<b>Service charges</b>	See <a href="#">price list service fees</a>
<b>WiFi Calling</b>	Outgoing calls via Wi-Fi calling are billed similarly as calls made using the mobile network. Wi-Fi calling is currently only available in Switzerland.
<b>Network coverage</b>	<p>Network operator is Sunrise.</p> <p>See <a href="#">network coverage</a></p>
<b>Available options</b>	<p>In your account you can add additional option packages for mobile data, roaming and international calls.</p> <p>See <a href="#">option packages</a></p>
